DETAILED ACTION

Response to Amendment

1. The Examiner acknowledges Applicant's submission on 1/24/08 including amendments to claims 110, 117, 124, and the cancellation of claim 113. In view of the amendments and the arguments presented, all rejections have been withdrawn. Claims 110, 114-117 and 119-129 are allowed.

Allowable Subject Matter

2. Claims 110, 114-117 and 119-129 are allowed.

3. The following is an examiner's statement of reasons for allowance: With respect to independent claims 110, 117 and 124, the combination of Kim, "HOW-TO" and Lowery disclose opening a second browser window while a first browser window is displayed, where the second browser window is a request that is initiated in response to user action. The user request is made after receiving a load finished event for the first browser and before receiving unload event for the first browser. Prior art combinations do not disclose a browser history that keeps track of transitions between a first and second browser, where the transitions between the first and second browsers are in response to a forward or back button and hiding, in response to the detected transition, one of the first and second browsers and displaying the other.

Since claims 114-116, 119-123 and 125-129 depend on claims 110, 117 and 124 and include all of the limitations of these claims, claims 114-116, 119-123 and 125-129 are considered allowable for the reasons in which claims 110, 117 and 124 is allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Response to Arguments

4. Applicant's arguments, with respect to the 35 U.S.C. 112 rejections have been fully considered and are persuasive. The 35 U.S.C. 112 rejections of claims 110, 113, 116, 117, 124, 125 and 126 have been withdrawn. However, claim 113 has been canceled by the applicant..

5. Applicant's arguments, with respect to the 35 U.S.C. 103 rejections have been fully considered and are persuasive. The rejection of claims 110, 112-117 and 119-129 have been withdrawn. However, claims 112 and 113 have been canceled by the applicant..

Conclusion

6. Responses to this action should be submitted as per the options cited below: The United States Patent and Trademark Office requires most patent related correspondence to be: a) faxed to the Central Fax number (571-273-8300) b) hand carried or delivered to the Customer Service Window (located at the Randolph Building, 401 Dulany Street, Alexandria, VA 22314), c) mailed to the mailing address set forth in 37 CFR 1.1 (e.g., P.O.
